

Post Results Services /Information for Parents

After the publication of results, Reviews of Results (RoRs), may be requested by centre staff and candidates if there are reasonable grounds for believing there has been an error in marking. Senior members of staff at The Children's Hospital School (CHS) will be available on Results Day to discuss results.

Written consent must be given by the candidate in order for the clerical check/review of marking to be processed by the Exams Officer. **Candidates should be aware that marks and subject grades may be lowered as a result of the Reviews of Results.** If you wish to discuss a Review of Results please contact exams@childrenshospitalschool.leicester.sch.uk.

The following 'Reviews of Results' (RoRs) are available:

- (a) Clerical re-check – this is a re-check of all procedures leading to the issue of a result. The check will ensure that all parts of the script have been marked, marks have been totalled and recorded correctly.
- (b) Review of marking – this reviews the original marking to ensure that the agreed mark scheme has been applied correctly.
- (c) Review of moderation – only available if the centre marks have been altered by the exam board during the moderation process.

Awarding bodies will only accept applications from the centre. If CHS feels a Review of Results is warranted, then the school will meet the costs of the review. If CHS does not feel the request is warranted or is unlikely to affect the final grade the candidate may pay the appropriate fee, and a request will be made to the awarding body on the candidate's behalf.

Fees for post-results services are set independently by each awarding body. Please see the table below for current fees and deadlines. For clerical checks and reviews of marking, the fee will not be charged if subject grades are amended.

*** Please note some subjects may incur different charges*

Appeals

If the candidate believes there are grounds to appeal against the centre's decision not to support a review of marking, an appeal can be submitted to the centre using the internal appeals form by the internal deadline of Thursday 12th September.

For further details on appeals following the outcome of review of results, please see the schools 'Internal Appeals Policy' which is available from the Exams Officer and on the Willow Bank School website.
