

KEY STAGE 4 RESULTS 2026

The Children's Hospital School are incredibly proud of their GCSE results and the hard work, dedication and resilience that our students have shown despite their medical needs and personal daily challenges.

Below is a summary of our GCSE results. For a more detailed report please contact the school who will be able to provide you with a copy of the Exams 2026 Report.

In a small cohort, one student represents a large percentage. The profile of students can change dramatically year on year. Students at Children's Hospital School do not all take the same GCSE subjects and number of qualifications – students are entered for GCSE based on their individual needs with their health being paramount.

GCSE Outcomes

The table below shows the percent of 9 to 4 and 9 to 1 achieved in GCSE subjects, for Year 11, offered at Willow Bank/Phoenix Learning Centre. They are compared with the national performance in those subjects.

Grades 9 – 1

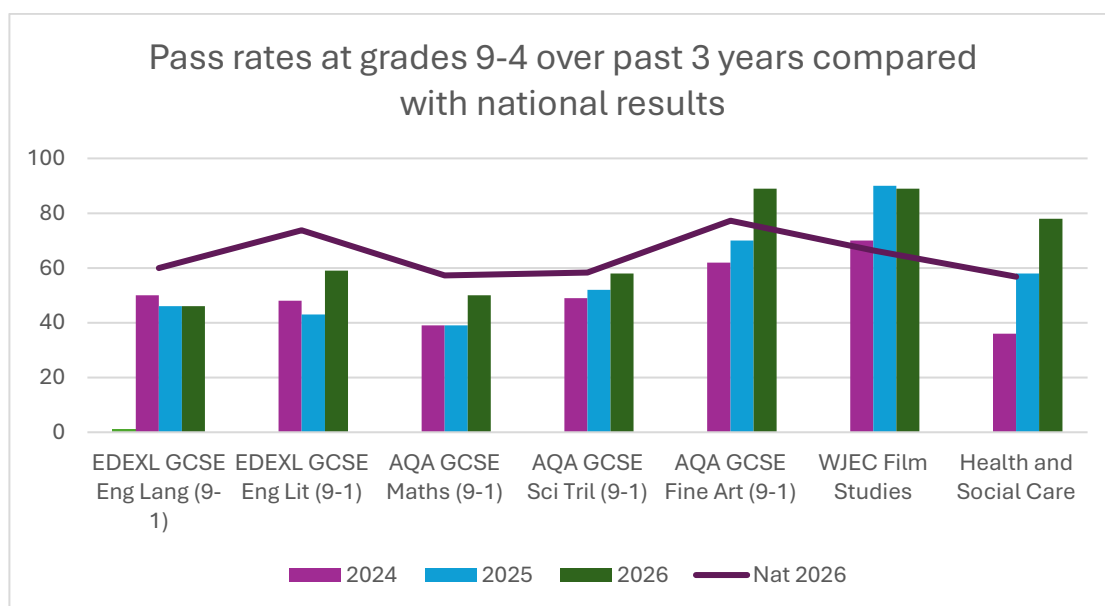

Subject	Willow Bank/Phoenix Students Grades 9 to 1 (cumulative %)	National Performance Grades 9 to 1 (cumulative %)
English	97	98.1
English Literature	97	97.7
Mathematics	92	97
Science: Double Award	97	97.5
Art and Design Subjects	100	99.5
Media / Film / TV Studies	100	97.9
Health and Social Care	100	96.5
All Subjects	97	97.9

Grades 9 – 4

Subject	Willow Bank/Phoenix Students Grades 9 to 4 (cumulative %)	National Performance Grades 9 to 4 (cumulative %)
English	46	60
English Literature	59	73.8
Mathematics	50	57.3
Science: Double Award	58	58.3
Art and Design Subjects	89	77.3
Media / Film / TV Studies	89	66.4
Health & Social Care	78	56.8
All Subjects	58	67.3

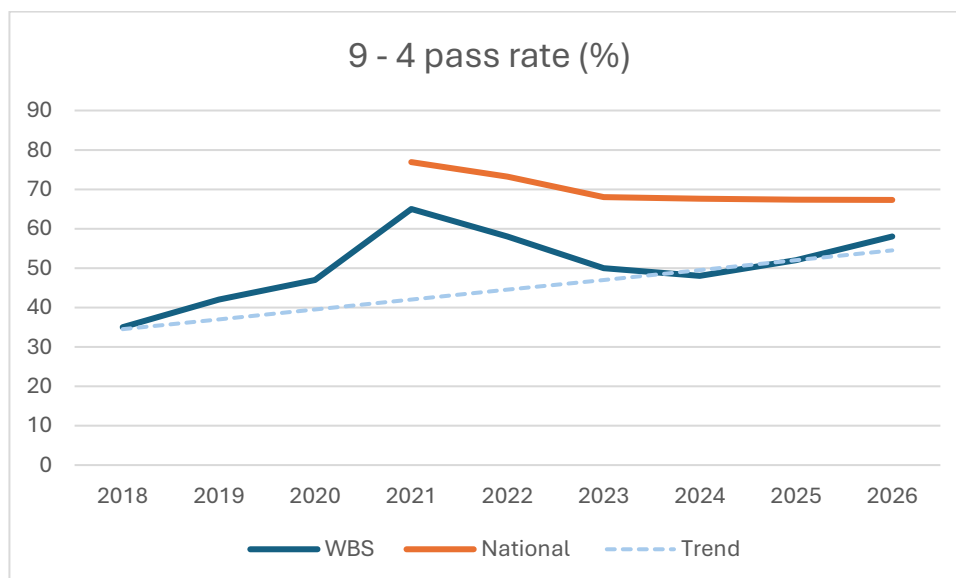

Grades 9 – 7

Subject	Willow Bank/Phoenix Students Grades 9 to 1 (cumulative %)	National Performance Grades 9 to 1 (cumulative %)
English	0	15.3
English Literature	6	20.1
Mathematics	0	17
Science: Double Award	0	9.4
Art and Design Subjects	44	44
Media / Film / TV Studies	56	56
Health & Social Care	11	13.5
All Subjects	6	22

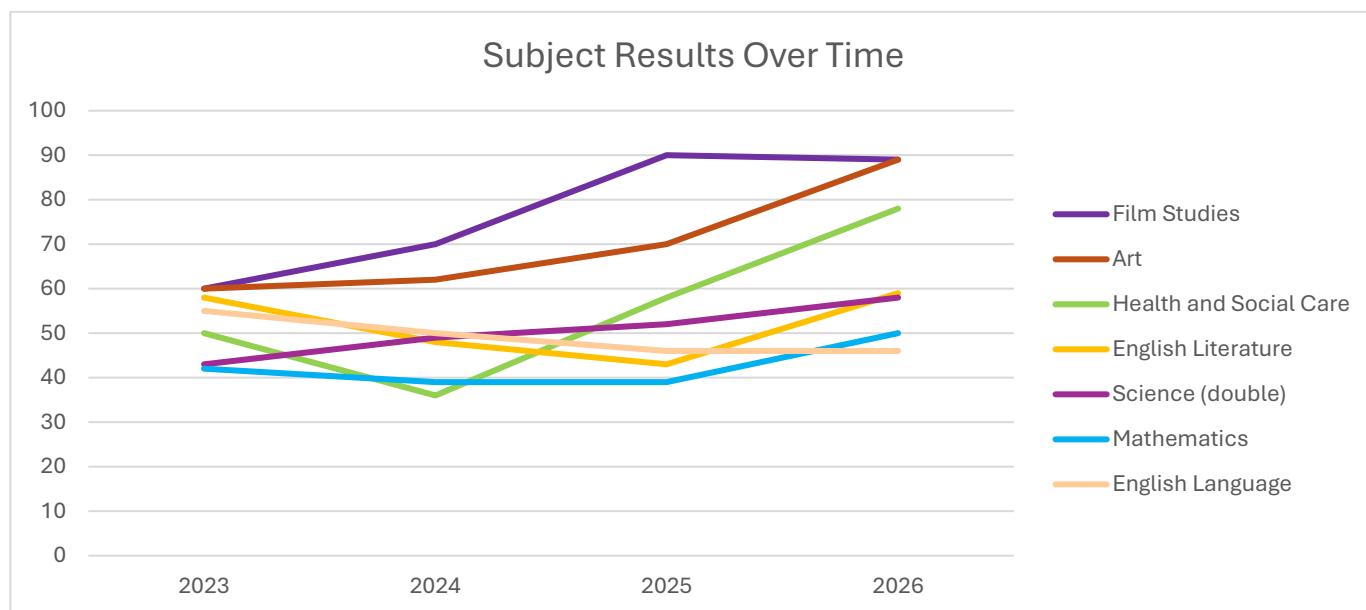

GCSE Pass Rate

The percentage of GCSEs that were passed at 4 (standard pass) has improved. Although our results are lower than national average, pass rates at Willow Bank School/Phoenix are improving.

This chart shows the 9 - 4 pass rate in each subject. The pass rate remains consistently high in Film and has much improved in Art and Health and Social Care. Science and Maths results have improved again too. Results in English and Maths are lower than option subjects. In part this is because all students take these.

Vocational Results 2026

In addition to GCSEs students were able to access additional qualifications. All these qualifications help to offer a broad curriculum to CHS students. They can be especially useful for ensuring students who, through illness have missed too much to contemplate a GCSE entry, are able to achieve some form of qualification in order to ensure a future pathway.

Qualification	Number of Results		
	Level 2	Level 1	Entry Level
BCS Level 1 Award in IT		7	
BCS Level 2 EDCL	7		
Award in Mathematics: Number and Measure		8	
Arts Award		6	
Functional Skills Maths		2	EL1 - 2 results EL2 - 1 result EL3 - 6 results
Functional Skills English			EL1 - 1 result
